

Scholar Uniform Policy

OUR GOAL: The Brilliance School strives to create a positive school culture so that all scholars can focus on academic and personal success. We encourage scholars to be mindful of their daily habits and decisions, cultivating a commitment to excellence and promoting positive behavior growth both inside the classroom and beyond.

One pillar of the Brilliance culture is dressing for success. We wear clothes that reflect the high standards of our institution, and our uniforms support a school climate that is socially safe, stable, and secure. A comprehensive school uniform program is proven to increase scholar self-esteem, self-discipline, attendance, and graduation rates. It also helps school administration reduce learning disruptions and mitigate potential safety hazards.

Brilliance School uniforms foster a sense of pride, identity, and cohesiveness within our community, and we ask all scholars to adhere to the guidelines set forth below.

UNIFORM FAQ

Q: WHY ARE WE ENFORCING UNIFORM STANDARDS AT THE BRILLIANCE SCHOOL?

A: At Brilliance, we believe that uniforms play an important role in maintaining a culture of focused learning, positive behavior, and school culture. Uniforms promote a sense of school identity and cohesion, helping to raise the standards of academics, expectations, and future success for all Brilliance scholars.

Q: WHY DO WE HAVE THE SAME UNIFORM STANDARDS ACROSS ALL GRADES?

A: It is important to share uniform standards across the school to promote community, especially as all grades are located on a single campus. This policy allows younger scholars to learn from and emulate their older peers, while older students learn the responsibility of acting as role models, including for their younger siblings. Standardizing these policies also allows for a consistent scholar experience throughout their time at our school.

Q: WHAT ARE THE CONSEQUENCES IF MY SCHOLAR IS OUT OF UNIFORM?

"Preparing scholars for academic achievement and personal success."

A: Uniforms are important to maintaining a focused and consistent educational experience for all scholars. We will not tolerate deviation from these policies, and if scholars are out of uniform the following consequences will be enforced:

- **First infraction:** Phone call home. Staff attempts to place the scholar in the correct uniform. Scholar will receive silent lunch.
- **Second infraction:** Phone call home from Dean of Culture. Scholars are not permitted to enter class until appropriate garments are brought to school for them to wear. School is not required to give scholars uniforms.
- **Third infraction:** Phone call home from administration. Scholar is assigned detention.
- **Fourth infraction:** Mandatory family conference with administration to identify and address the issue with one day of out of school suspension.

Q: WHAT IF FAMILIES ARE NOT ABLE TO AFFORD THE REQUIRED UNIFORM COMPONENTS?

A: We understand that meeting uniform guidelines can require financial expenditures that may be difficult for some families. We do not want uniforms to be a barrier to any scholar who wants to attend Brilliance. If acquiring uniforms represents a hardship for your family, please contact the main office and we will work with you to ensure your scholars can dress for success every day.
